So ...
Could you

I don't know

VOLUME ONE

Since other yokai appeared in this chapter, allow me to introduce to you the different yokai in Japanese folklore. Our topic for today is me, the Faceless Ghost.

Why the heck
are his eyes on his ass...?

Noppera-bou,
or the Faceless Ghost,
pertains to yokai who have no
eyes, nose or mouth on their
face. There are other varieties
in the same family, such as the
Nuppori-bouzu, whose eyes can be
found on their buttocks.

How does
he use the
toilet?

YOSHIOUCHI-SAN, DON'T YOU COME TO SCHOOL TO LEARN?

THAT'S AMAZING!
SO IF YOU PUT THE TEACHERS UNDER THE ILLUSION THAT "I'M STUDYING", I DON'T HAVE TO ATTEND CLASS AT ALL!

HE CAST THE ILLUSION THAT "HE'S PART OF THE CLASS" ON EVERYONE.

I'm such a genius!

OH... SO THAT'S WHAT IT WAS FOR.

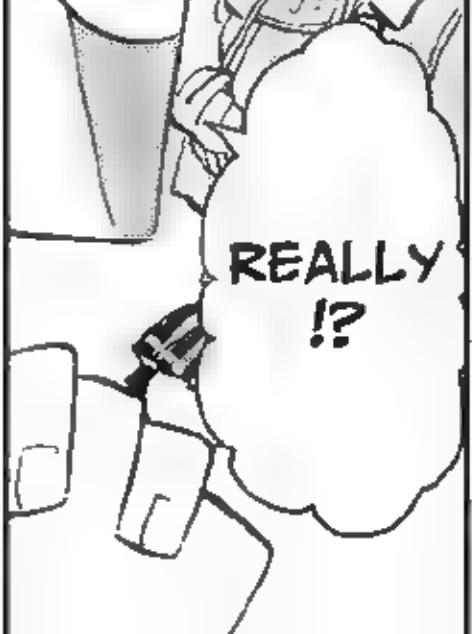

Okay, it's been 5 minutes. Take off the lid now.

We'll talk about
"Youko" this time.

Whoa! They're married
humans even though
they're foxes! They like
humans way too much.

Youko pertains to the
spirit fox yokai. As their power
increases, they grow more tails.
They're really fond of humans.
So much, that long, long ago,
they used to disguise as the
wives of very influential people
in an attempt to rule the world.

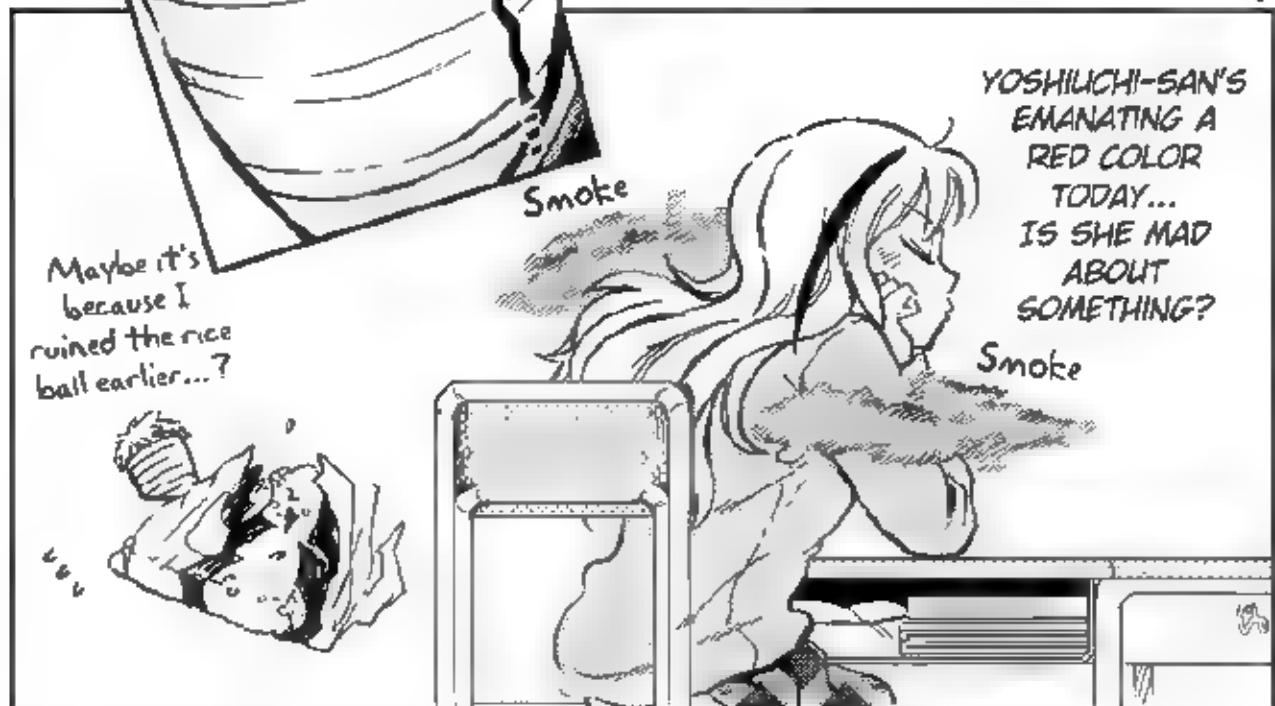

Is it true
that
the person
you love

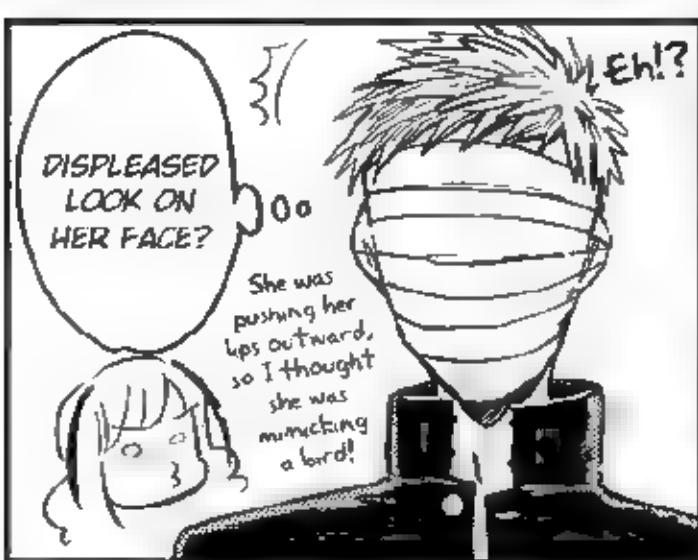

sparkles in

TO BE CONTINUED IN VOLUME 2

Next, we'll talk
about the "Nekomata".

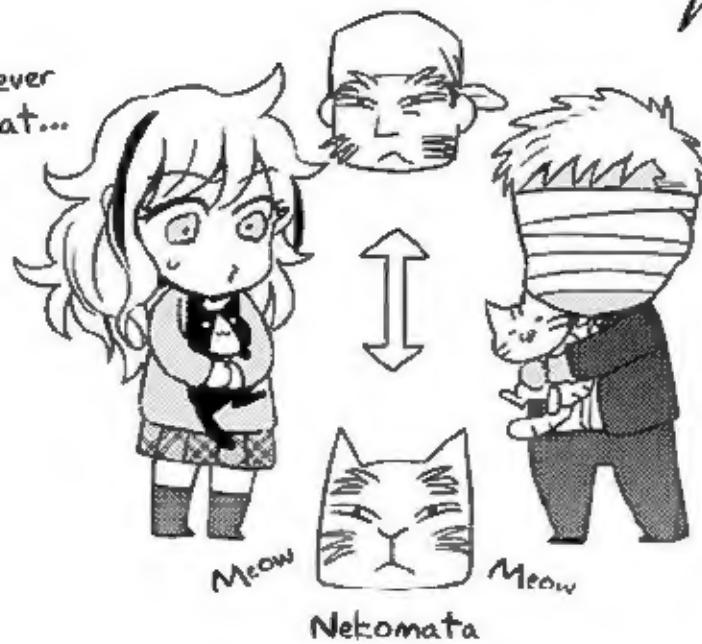

Seriously... So when cats
turn into yokai, they're
not cute anymore?

* The appearance
varies from cat
to cat.

The "Nekomata", or
supernatural cats, pertain to
cats of old age who turned
into yokais and disguise
themselves. They grow two
tails on their back. The
landlord of my share house
is actually a nekomata~

Wow... I never
expected that...
